Loranto

Timeless Glass Art

For over 25 years, Loranto represents the art of European handmade and mouth-blown glass.

Our collection unites tradition and contemporary design, with refined creations from Murano and Bohemia.

In close partnership with selected glass studios across Eastern Europe, we ensure flexibility, fast response, and consistent quality.

As the official importer of Ozzaro glass, we offer exclusive pieces defined by craftsmanship, elegance, and individuality.

Distinctive glass creations for gifts, interiors, retail, and galleries.
Designed to leave a lasting impression.
